

About Gila County Zoning Ordinance Hearing Application #Z-18-02 Carson Elers

Regarding Parcel: 301-10-018 and 301-10-019

We the undersigned are **OPPOSED** and **SAY NO** to the re-zoning of these properties (parcel 301-10-018 & parcel 301-10-019) on Highway 87 in Strawberry, AZ. This re-zoning will transfer property value from us to these properties. We live here, vote here and do not approve of this transfer of our property value.

We moved to Strawberry, AZ to have open spaces. We did not move here to have high density developments. We did not move here to have short term tenants who have no commitment to the community, residents or land. We want a great Strawberry and **Do Not Want Rezoning** of these parcels to develop a trailer/RV park in our town.
